02 Nights

Day 1 - Colonia

Your private transfer will welcome you at the port of Colonia (ferries arriving/departing to/from Buenos Aires) and transport you to the selected hotel. Accommodation is for 3 nights with breakfast included.

Check in and spend the rest of the day at your leisure to rest or walk around this quaint town, so full of history.

Day 2 – Colonia del Sacramento

You will be picked up from your hotel lobby to go on a **Private Colonia del Sacramento Walking Tour**.

This walk will take you around the Old District of Colonia (known as Colonia del Sacramento), a UNESCO World Heritage Site founded in 1680 by the Portuguese. The walk starts at the old city gates, and continues toward the “Street of Sighs” which dates back to 1720. Next, a stop at the Main Square, then the ruins of the San Francisco Church (the oldest ruins in Uruguay), the Lighthouse, Governor’s House, the Sacramento Basilica and other attractive sites and buildings along the way.

This is an educating walk through a tranquil area, which will provide visitors with knowledge on the city’s history and the reason for it to be named a World Heritage Site by UNESCO back in 1995.

Upon completion of the Walking Tour, passengers are free to continue on their own.

Day 3 – Depart Uruguay

After breakfast, check out from your hotel and a private transfer will take you to the Colonia port.
