Day 1 - Montevideo

Day 2 - Montevideo

Pick up from your hotel lobby to go on the Regular Winery Tour.

You will be visiting select wineries – family owned businesses - and spend an unforgettable time enjoying the unique atmosphere of these establishments. Homeowners will welcome you to their properties with their typical warmth, appreciating your visit to share a piece of their daily work and see (and taste!) the fruits of their labor.

You will tour the vineyards; learn of their history and of the winemaking process. You will taste different wines accompanied by delicious “picadas”, which are generally an assortment of cold cuts and/or cheeses (content of a picada may vary from winery to winery). Wine tasting will include the Tannat, the emblematic grape of Uruguay that is very well regarded in regional and international contests, as an even better quality grape than its French counterpart.
